2009 Calendar of Events

Village of Greendale

Spend the Day in Historic Greendale!

We're one of three "Greenbelt Communities" built in the United States during the throes of the Great Depression under Franklin Roosevelt's "New Deal" plans.

Come spend the day with us and learn about the unique and remarkable history of our proud community and shop our many unique shops or diner in our great restaurants!

Greendale is easy to find, just south of Milwaukee off the I-894 bypass. Exit at 60th Street and continue south about a mile as 60th becomes Northway and curves right into the downtown area.

For more details on what's going on, visit our Greendale website at www.discovergreendale.com or contact the Greendale Reiman Visitor Center at 414-423-3080.
